Achieving Excellence through a Values Driven Education

Dear Parents/Carers of [StudentFullName]

We are writing to parents and carers to ensure that our World Challenge Croatia team don't miss training opportunities.

As we approach the Croatia expedition, attendance to team meetings becomes even more vital to ensure students are fully prepared for the exciting things to come. We have collectively arranged our next meeting (through our channel on Microsoft teams) for **Wednesday 13th March 2024 at 15:00-16:00**. If students are unable to attend meetings, we ask that they let us know via our Teams channel and arrange to catch up with teammates or staff so that they don't miss anything.

Please could we ask that parents and carers remind students about the importance of attendance to our team meets going forward and to keep an eye out for notifications on Microsoft teams.

Finally, a quick reminder of some important dates for the diary...

### **Training weekend preparation: 21st May 3-4:30pm**

Students meet in school to prepare for the training expedition. Further communication will also be sent closer to the time.

### **Training weekend: 25th and 26th May**
