Achieving Excellence through a Values Driven Education

Ref: Science/CWA

Date: 16 September 2025

Dear Parent/Carer of [StudentFullName]

We are giving several students the opportunity to attend targeted Science revision during mentor time before their practice exams in weeks 8 and 9 of October 2025. We have identified «Forename» as a student who would benefit from these sessions following their paper 1 practice exams and teacher recommendations.

The sessions will run on a Wednesday, Thursday, and Friday for the next 6 weeks, commencing on 17/09/2025. [StudentForename] will attend their usual mentor group on a Monday and Tuesday and they will be expected to attend Science mentor time for the remainder of the week, being registered during the Science mentor session.

Each week we will focus on key revision areas for the paper 1 mock exams. Science mentor time is in addition to other revision strategies being put in place by the Science department. We appreciate your support encouraging [StudentForename] to attend these sessions.

Subject	Topics
Biology	Cell Biology Organisation Infection and Response Bioenergetics
Chemistry	Atomic structure and the Periodic Table Bonding, Structure and Properties of Matter Quantitative Chemistry Chemical Changes Energy Changes
Physics	Energy Electricity Particle Model of Matter Atomic Structure and Radioactivity

Yours sincerely,

Penistone Grammar School
