We have created a booklet covering 12 key topics in A-Level Mathematics. Each section contains several examples, highlighting key points, followed by 20 to 30 new specification exam questions from various exam boards. Each section is covered in a 1-hour session, meaning that there will be hundreds of quality questions that you can use as part of your revision when you return. All-important worked solutions will be made available after the trip, but final answers will be provided in the main booklet.

[We have also produced a Further Mathematics A-Level booklet and will swap 6 of the sessions to cover any key areas highlighted by both teachers and pupils.]

*Achieving Excellence through a Values Driven Education*

- The address of the Youth Hostel where we will be staying is: YHA York, Water End, Clifton, York YO30 6LP.
- If there is an emergency and you or your parents/carers need to contact me during the visit, please call [insert trip mobile number].
- Please ensure you pack suitable clothing for the weekend and remember, it could rain!
- Sleeping bags are not required as all bedding is provided. However, you will need to bring towels and your normal toiletries.
- You will need to bring the following materials with you:
  - (i) plenty of A4 lined/squared paper
  - (ii) calculator
  - (iii) formula booklet.
- On Saturday you will have 3 hours in York to relax and recharge under your own supervision.
- Whilst we appreciate that many of you are now over the age of 18, as this is a school trip, school policy will apply. Therefore, the consumption of alcohol will not be permitted for the duration of the weekend. We will contact the parents/carers of anyone found to be in breach of this policy and request that they are collected immediately from York.

Should you or they have any questions about any aspect of the visit, please don't hesitate to contact me.

Yours sincerely

Mr D Gray
