Achieving Excellence through a Values Driven Education

Dear Parents, Carers and Students

As you come to the end of your exams and prepare for the next stage of your journey, we would like to ask for your support in helping future students at Penistone Grammar School.

If you no longer need your school equipment or uniform, we would greatly appreciate donations of:

- Calculators
- Compasses
- Protractors
- School ties
- Blazers
- Any other usable uniform items

Equipment such as calculators and maths equipment can be dropped off at reception as soon as you have finished using them, we suggest after you have finished your Physics exams.

Please note, uniform items should be donated after your final exam.

These donations will help support younger students and families within our school community.

As a small thank you for your kindness and generosity, anyone who donates items will receive some chocolate!

Thank you for your support, and we wish you the very best for the future.

Kind regards

Graham Teasdale
