Achieving Excellence through a Values Driven Education

Dear Parents/Carer of

I am writing to inform you that your child will be sitting their Milestone in Week 23A (w/c 4 March 2024)

Students have been advised to take their Maths books home to aid with revision. At the front of their books, there is a Y9 Pathway. This can be used as a guide on topic areas to revise. The topics on this assessment can be found under Unit 2 and Unit 3. There is also a retrieval aspect to the Milestone.

The Sparx codes that correspond to each of the topic's names can also be found on this sheet. These will support student's revision and are a good place to start to develop and deepen understanding. Students should begin with the 'Introduction' or 'Strengthen' level and then attempt the 'Deepen' level.

If you would like any additional information or support with Sparx please do not hesitate to get in touch.

Kind Regards

Miss H Hibberd

Y9/Y10 Maths Coordinator
