As part of our after-school History club, we are engaging with a local family run business - Fairbank Investments. The company are currently working on an exciting new development, the coal mine drop arches in Penistone.

The director of Fairbank Investments is coming into school, to discuss the development of the site and will be asking our history students to commence work on a project researching the historical coal mine drops and giving their thoughts/ideas on how the site could be best used.

As part of this project, we are arranging a site visit to the arches on **Monday 4 March**.

**The visit will take place after school 2.50 – 3.50 in the usual slot for the history club.**

**We will walk to and from the site and students will be back in school to leave for 4. 0 clock.**

If you would like (student forename) to take part in the trip and the project, please complete the consent form using the link <https://forms.office.com/e/9gRmjcVJ9e> by **Friday 1 March**.

**Please note this visit will replace the normal history club session, so if your child is not attending the visit there will not be a history club on this day.**

If you have any questions, please contact our career coordinator directly [gwant@penistone.ac.uk](mailto:gwant@penistone.ac.uk) who will be happy to support.

Yours sincerely
