

Hello,

I hope you're all well and it was so nice to speak to many of you at our parade last half term. I'm so proud of the progress each of our cadets has made and this isn't possible without your support.

I wanted to write to you to let you know of the upcoming events in our unit's calendar. As before I'm pleased to fund these spaces from our schools budget as we have before so please do not worry about the financial implications of this camp.

Just for your awareness we will be funding for your child:

- This terms Sub payments
- Annual Camp
- SAA Training weekend (see below)

And finally as all cadets have the exciting opportunity to take part in a blank fire exercise using British army 5.56mm blanks all students will require an in date weapons handling test.

In order to facilitate this we will be running a training weekend from Friday 2nd June – Sunday 4th June in order to qualify all students on the weapons system, as you can appreciate safety with weapons is a high priority and a legal requirement for handling any weapons system.

Please note there will be no more costs for the rest of this academic year.

Lastly we will be hosting a virtual meeting on Tuesday the 9th May from 16:00hrs-16:30 hrs to outline the annual camp arrangements and kit lists as well as allowing you to ask any questions. The link will be emailed out Friday the 5th May as well as being posted on the PGS CCF teams channel, this meeting will also be recorded for those of you that cannot attend.

.

If you have any questions or your financial situation has changed please let me know on JWetherall@penistone-gs.uk and I will endeavour to do whatever I can to support.

Many thanks from myself and my team

Jason Wetherall – OC PGS CCF
