Roadworks on Higham Lane from 3rd July

We have been informed by Barnsley Council that Higham Lane will be closed for approximately 1 week for highway improvements.

This will impact service 416 which operators to have school. We have discussed different options, but this will still go ahead and the only option is to divert the bus which will miss out Dodworth.

However, service buses 408,410 and 422 travel from Townend along Dodworth Road which should give students an alternative option.
