Dear parent/carer

Year 12 Biology Field Trip

The Biology department are taking the Year 12 biologists on a day field trip to Filey Brigg in North Yorkshire. This will give students the opportunity to study a wide range of habitats that would be inaccessible in the school environment. The aim of this field trip is to allow the students to complete the required ecological practical of their A level course which is an essential component of the practical endorsement.

The date of our visit will be **Wednesday 19th July 2023**. We will leave Penistone at 08:30 and we will depart from Filey Brigg at around 14:30. We are asking for a contribution of £14 for this visit to cover the cost of the coach. If insufficient contributions are received to make this trip financially viable this visit may not be able to take place. **Please could we ask that payment and consent to be completed by Friday 30th June if you wish your child to attend the visit**
