Achieving Excellence through a Values Driven Education

Ref: RKA/CWA

Date: 23 October 2025

Dear Parent/Carer of STUDENT FULLNAME

STUDENT FORENAME has shown an interest in joining the Year 7 science club, I am delighted to inform you that they have been successful in securing a place. The club will run after school (2:50pm – 3:50pm) on Wednesdays starting on Wednesday 5th November and will end on Wednesday 25th March.

It will be run by myself with the aid of other members of the science department with the aim being to foster a love of science and give students the chance to carry out practical activities beyond what they would normally carry out in their timetabled science lessons. Activities will range across Physics, Chemistry, Biology and Engineering.

Behaviour will be expected to be of the highest standard to ensure the safety of all students and staff taking part. I will add all members into the dedicated Science Club team on Microsoft teams so that if any information (e.g. room changes, unexpected cancellations etc.) needs to be communicated I can do that through there.

Please complete the consent form on Parentpay by Wednesday 29 October to say that you give consent for your child to take part in the science club.

Yours sincerely,

Dr R Kaye

Teacher of Science
