Achieving Excellence through a Values Driven Education

Ref: BDO/CWA

Date: 20 September 2024

Dear Parent/Carer of STUDENT NAME

KS3 – Year 7 Art & DT Contribution to Practical Activities for Academic Year 2024/2025

In order to ensure we are able to deliver a high quality experience for all our students we ask for a contribution from parents/carers towards the costs of printing and materials that are required to complete specialised projects within Art & Design Technology. Once STUDENT NAME has completed their projects STUDENT NAME will be able to bring the products they have made home.

We are this year asking for a contribution of **£5.50 for Art materials and £7.00 for DT materials** (please see details below) to be made at the beginning of the academic year. This will cover all the materials that students will need, to undertake the practical elements of these exciting courses throughout the entirety of Year 7.

We will not ask for any further contributions for basic materials however; students will still have the option to bring in additional materials to personalise their practical items further.

Art **£5.50**
Design Technology £7.00 (Food, Textiles, Graphics and Resistant materials)

The easiest way to make payment is via Parentpay, our online payment system for which, you will have been issued with a password. The payments will show separately on Parentpay to enable us to allocate the funds to each department accordingly.

If your child receives free school meals or support from our Pupil Premium provision and there are any issues with making this payment, please let us know and we will support.

Should you have any questions please do not hesitate to contact us further.

Yours sincerely

Mr B Dobson
Curriculum Area Lead DT
