Achieving Excellence through a Values Driven Education

Ref: LWI/CWA

Date: 26 September 2025

Dear Parent/Carer of [StudentFullName]

We are pleased to inform you that [StudentForename]'s Maths teacher has specifically invited them to attend our **after-school Maths Enrichment sessions** during **weeks 5, 6, and 7**. These sessions are designed to support students in preparing for their upcoming Year 11 practice exams and to help them become more confident with GCSE-style questions.

Sessions will take place on **Wednesdays from 3:00–4:00pm**, starting on **Wednesday 1st October**, and will run weekly until **Wednesday 15th October**.

During each session, students will work through GCSE papers in a walking-talking mock format, where staff guide them through the paper step-by-step. If your child is unable to attend, they will be provided with the same paper and a one-page answer guide by their Maths teacher. We kindly ask for your support in encouraging your child to complete these papers independently as part of their revision.

- **Foundation tier sessions** will be held in **Ma4.01 and Ma4.02**
- **Higher tier sessions** will take place in the **Lecture Theatre**

We have found these sessions to be highly effective in boosting both grades and confidence, and we would greatly appreciate your support in encouraging your child to attend.

If you have any questions or would like further information, please don't hesitate to get in touch.

Kind regards,

Elliott Satur & Lisa Wilson
Head & Second in Department
