**Achieving Excellence through a Values
Driven Education**

Reference: KST/PMU/SBO

Date: 10 June 2025

Dear Parent/Guardian of [StudentFullName],

Mentor Mathematics

Having analysed recent Sparx Maths times tables reports, we believe that [StudentForename] would benefit from extra support with their times tables.

Having analysed recent Mathematics Assessment data, we believe that [StudentForename] would benefit from extra support with their number work.

Fluency in number work is essential as a foundation for success in Mathematics and we believe that by intervening now we can support [StudentForename] towards improved confidence and success in Mathematics.

In the first instance, we will withdraw [StudentForename] from Mentor time each Friday from 6th June 2025 through until the end of the year so that they can attend our Mentor time support session along with a small number of other Y8 students. In addition, there will be a short follow-up task for [StudentForename] to complete at home to further support progress.

We thank you for your support in this matter and if you have any further questions please do not hesitate to get in contact.

Yours Faithfully

Mrs K Taylor

Mr P Murphy

Curriculum Support Assistants.
