Achieving Excellence through a Values Driven Education

Dear [StudentFullName]

First of all, let us just say WOW - we were absolutely blown away with the outstanding talent and professionalism that each and every one of you brought to your audition to be in this year's musical, Our House! Over 150 students signed up to take part on Wednesday, and every performer brought something new to the role that they were auditioning for. This really has been the toughest year for us to cast!

As we mentioned on the audition day, we are limited with the amount of performers that we can have on stage at the Penistone Paramount. If we could, we would cast everyone that auditioned in a role, but due to health and safety, we are unfortunately unable to do that.

We are delighted to say that we would like to offer YOU a part in this year's musical! Your talent and dedication shone through, and we are very excited to welcome you to the production!

Next Steps:

Come down to Performing Arts for our cast reveal Wednesday 24 September during mentor time, make sure to get your register mark first! This is when we will announce who has been given which role, an explanation of how the rehearsals are going to run, and a chance for us to meet as a whole cast. We will also be giving you a performer's contract for both you and a parent/carer to sign (more information about this will be given at the cast reveal). In the meantime, please make sure that you double check with parents/carers that they are happy for you to take part as some of the content is more grown up (the audience viewer rating is 12+).

We can't wait to see you in rehearsals and begin staging the show!

Thank you and kind regards,

Mr Kinnear and Mr Southern
