We are the Art Department!

Would you like to ask us a question?	Who are you and what do you do?	What is your favourite thing about working at PGS?	Can you tell us a fun fact about yourself please?
	I am **Miss Bettey** and my job at PGS is Curriculum Area Leader: Art and Photography	I love teaching this amazing subject in fabulous surroundings alongside my dedicated and enthusiastic colleagues. There is never a dull day, and I love the fact that students are expected to be aspirational and to aim high.	By the time I was 18 years old, I had lived at no less than 14 home addresses and attended a total of 12 different schools in West Germany, Northern Ireland, Cyprus and England!
	I am **Mr Berry** and my job at PGS is Second in Department: Art	I see it as a true privilege to watch our students develop their creative practical skills at PGS. The progress is often amazing!!	I am an aficionado of pork pies.
	I am **Mrs Birch** and my job at PGS is Art Teacher	Every day I am blown away by the talent and creativity of our students.	I had my weather picture on 'Look North' when I was at Junior School.
	I am **Miss Helliwell** and my job at PGS is Art Teacher	I love the countryside views out of the Art classrooms, they're beautiful! Every member of staff is so helpful and wanting the absolute best for students.	I've been interrailing around Europe which was the best experience ever! I visited Hungary, Croatia, Italy, Spain, France and Germany - all in 1 month!
	I am **Miss Lofthouse** and my job at PGS is Art Technician	The Teachers in our department are so lovely and truly want to help inspire and encourage the students to aim high. The students themselves are lovely and amaze me how talented they are at such young age. It's a really pleasure to see.	My family think I'd be a great contestant on 'The Great British Bake Off.' Not for my baking abilities... just for my facial expressions I pull when I'm concentration or nervous. The problem is I don't know I'm doing it! :)
