Achieving Excellence through a Values Driven Education

Ref: JWE/CWA

Date: 26 November 2025

Dear Parent/Carer of STUDENT FULLNAME Mrs Waite

We are excited to announce an excellent opportunity for our cadets to progress their air rifle shooting skills in line with the Army Cadet Syllabus (ACS).

We will be using the CMADE Outdoors HFT Air Rifle Range, to ensure cadet safety and manage logistics effectively, we will only be taking a maximum of **18 cadets at a time**, based on the capacity of our minibus.

Each session will conclude with cadets returning to school by **1700 hrs**.

The specific troop attending each week will be communicated clearly via the **training plan on Teams**, so please check regularly for updates.

Thank you for your continued support in helping us provide these valuable experiences for our cadets.

Regards,  
**Lt J Wetherall**
