Achieving Excellence through a Values Driven Education

Ref: Maths/CWA

Date: 29 January 2025

Dear Parent/Carer of XXXXXXXX

Maths Extra Support

Having analysed recent Mathematics Assessment data, we believe that your child would benefit from extra support with their number work.

Fluency in number work is essential as a foundation for success in Mathematics and we believe that by intervening now we can support your child towards improved confidence and success in Mathematics.

In the first instance, we will withdraw your child from Mentor time each Wednesday from 5th February 2025 through until the Easter break so that they can attend our Mentor time support session along with a small number of other Y7 students. In addition, there will be a short follow-up task for your child to complete at home to further support progress.

We thank you for your support in this matter and if you have any further questions please do not hesitate to get in contact.

Yours Faithfully

Mrs K Taylor

Mr P Murphy

Curriculum Support Assistants.
