Dear Parents/Carers of [StudentFullName],

GCSE History

This week [StudentForename] has been given a purple folder with any remaining history resources/revision guides they have in school, along with a reminder of the requirements of each exam paper. All Year10 resources they should already have at home, including exercise books, revision guides and practice exam papers.

I would be grateful if you could support [StudentForename] by encouraging them to revise for their history exams using these resources, along with quizzing themselves on Educake. There are additional resources including practice questions, past papers and revision activities in the 'files' section of our team page.

If you have any further questions about how to revise for history please see the school website or contact me via the school office.

Kind regards,

Mrs Godden
