

1. Find out more about all the subjects that are on offer and choose **two** for your **Open Choice** subjects.

- |                      |                                  |   |
|----------------------|----------------------------------|---|
| Art & Design         | Food & Nutrition                 | Photography                               |
| Belief & Ethics      | French                           | Physical Education (PE)                   |
| Business Studies     | Geography                        | Resistant Materials (Design & Technology) |
| Citizenship          | Graphics (Design & Technology)   | Separate Sciences                         |
| Computer Science     | <b>Health &amp; Social Care*</b> | Sociology                                 |
| <b>Construction*</b> | History                          | Spanish                                   |
| Drama                | <b>IT (Creative iMedia)*</b>     | <b>Sports Studies*</b>                    |
| Economics            | Music                            | Textiles (Design & Technology)            |

2. Look out for the email which will tell you **which Guided Choice pathway** you are following.

**Guided Choice**

Select **two** subjects, one from each category ...

- |                            |                           |
|----------------------------|---------------------------|
| <u>Group 1: Humanities</u> | <u>Group 2: Languages</u> |
| Geography                  | French                    |
| History                    | Spanish                   |

Select **one** subject from the following selection...

- |                  |                   |
|------------------|-------------------|
| Computer Science | History           |
| French           | Separate Sciences |
| Geography        | Spanish           |

3. Make sure you've **thought** about your choices **carefully**.

- Have you asked lots of questions and do you have all the answers you need to make the right choice for you?
- Have you attended a Taster Session if you are thinking of studying a new subject?
- Have you considered what you might want to do after you've finished Year 11?
- Have you thought about whether the subjects you are considering suit your strengths?
- Are you confident that the subjects you are choosing aren't based on whether your friends are, or aren't taking them or on the teachers you have currently, or think you may have.
- Don't discount a subject because it may not have run previously.
- Ask for help!

4. Give yourself the best chance of success by being the best version of you: **effort; attitude; attendance; commitment; conduct**, each day.

5. **Complete your Options Form online.**
