Dear Parents/Carers of [StudentFullName],

Intervention Sessions

To support students after we looked at mock grades I have invited a targeted group to four intervention sessions. We had the first one this week. The next three dates are:-

- Thur 15 May - 3 - 4pm
- Wed 21st May 3 - 4pm
- Thursday 12 June 3 - 4

[StudentForename] will need normal A Level equipment including her three texts and her exam paper. Sessions are in CM: 301 and I'll let them know on Teams or in person if that changes. We will look at structure, planning and clarity and do a bit of timed rewriting. I hope they will find these sessions helpful in terms of developing exam technique, knowledge and understanding, and literacy. There are two other important dates to please note. - Wednesday 4th June 3 – 4.30pm (tech and dress) - Wednesday 11th June – C2 Devised Performance.

Parents are welcome to this! Please save the date. We aim to start at 3.30pm. Thank you so much for all your support, we understand that your encouragement and practical care is so important.

Yours sincerely

Z Rasheed VPA
