Achieving Excellence through a Values Driven Education

Ref: KDA/VTH

Date: 26 September 2025

Dear Parent/Carer of [StudentFullName]

As part of [StudentForename]'s enrichment and Science curriculum, we have planned a student trip to Eureka to supplement the learning around the human body. This hands-on museum is incredible for exploring the human body as well as exploring other topics such as: light and sound, making their own music and developing hand-eye coordination in the immersive space. The students will have different tasks to do throughout the museum and will be navigating it with an adult in small groups.

Venue	Eureka, Children's Museum Halifax		
Date of trip	Wednesday 15 October		
Departure time	08:30am	Return time	14:40pm

Other information

We will be travelling to Eureka using the school minibus. Students will be expected to **wear their school uniform** as normal for this trip.
Please ensure students bring a **packed lunch**. If a student is entitled to free school meals please speak to a member of staff and we will arrange a packed lunch to be made for them.

There is no cost for the trip.

Behaviour

Students are expected to behave in an exemplary manner as ambassadors of the school. Should the conduct of a student in the lead up to, or during the visit, be deemed either unacceptable or likely to put the health, wellbeing, safety and/or enjoyment of other students on the trip at risk, the Principal reserves the right to withdraw that student's place from the visit, or they may be returned home prior to the end of the visit. All school Policies will be in place during the visit.
