# IDAS Barnsley – Older People and Domestic Abuse

Friday 25 November 2022

Thursday 12 January 2023

---

**Training over Zoom - book through POD or email [SABTraining@barnsley.gov.uk](mailto:SABTraining@barnsley.gov.uk)**

---

Learn more about:

- Older people as hidden victims, and how professionals can help promote engagement and access to services
- The impacts and effects of domestic abuse on older people
- The complexities older people may experience in abusive situations
- The challenges of working with an older group of victims and the importance of adopting a tailored approach
- Local pathways for referring to domestic abuse services
- Helpful services that exist in the local area, and how they can support older clients
