

Aim High

- To be a truly excellent school built on our 5 core values
- To strive to be role models for a growth mindset approach in our role as governors

- To embrace challenges even when they may seem daunting

- To hold ourselves to account in setting high standards
- To hold the school to account in setting high standards
- To focus on the factors that will make a real difference for students

Be Proud

Commitments

Aim High

Be Determined

- To talk with passions based on shared values
- To actively look for opportunities to improve
- Understand the wider educational context and look outward for fresh ideas
- To be solution focussed when setbacks occur
- Strive for excellence in all we do

Be Proud

Governing Body
Commitments

Aim High

- To share in the development of an exciting future for the school

Be Determined

- To challenge openly to ensure actions will lead to required improvements

Be Brave

Be Supportive

- Be generous with your feedback whilst respecting the positive intentions behind actions

- To seek personal feedback to help personal development

Be Proud

- To support the school in the risks they take whilst ensuring the focus is on what is learnt as a result

Governing Body
Commitments

- To treat everyone with respect
- Catch people doing things right and ensure they receive feedback
- To work collaboratively with all school staff
- To encourage our young people in pursuing their dreams

Be Supportive

- Identify the positive in difficult circumstances and ensure feedback offers some suggestions

Aim High

- To actively speak positively about the school in the wider community
- Recognise commitment and effort from all aiming to improve the school
- Celebrate progress along the way
- To embrace a life-long love of learning
