Dear Adam

On behalf of the patients, families and staff at Sheffield Children's Hospital - thank you for your kind donation of £5000.00 recently received by The Children's Hospital Charity raised through fundraising for your Schools Snowflake, which was displayed at Sheffield Children's hospital over the festive period. Your fundraising has been allocated to your ongoing total towards your consulting room. Please pass on our special thanks to all involved in raising such a fantastic amount to date.

Your continued support helps us make it better for patients at Sheffield Children's Hospital, allowing us to go over and above standard NHS provision to keep this incredible facility at the forefront of paediatric care. Thanks to you we can fund life-saving medical equipment, research into the prevention and cure of childhood illnesses, improvements to the hospital environment and new facilities to extend the range of treatment provided.

Together we can match the world-class care at the hospital with world class equipment and facilities, to make it better for our young patients for generations to come and ensure all of our children have the best chance of a happy and healthy life.

Visit www.tchc.org.uk to find out more.

Yours sincerely,

Cheryl Davidson
Community Fundraising Manager

Let's make it better!
